**RE: Public Records Act Request**

Dear Public Requests Officer,

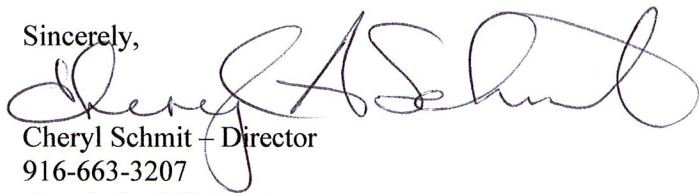

Pursuant to my rights under the California Public Records Act. (Government Code Section 6250 et seq., and the California Constitution, as amended by passage of Proposition 59 on November 2, 2004) *Stand Up For California!* is writing to request documents that are in the possession of the County of Sacramento starting on December 19, 2013 to the present time.

- Copy of any letters to the Bureau of Indian Affairs, or letters of comment on the Scoping Hearing held December 19, 2013 through the date of this request.
- Any and all documents, letters, emails, notes and notes regarding phone communications between County of Sacramento officials or staff with the Wilton Band regarding the proposed casino development on highway 99, and or their representatives, Analytical Environmental Services (AES) Representative, Chard Broussard or John Ryzick of the Bureau of Indian Affairs, or gaming investor Boyd Gaming representatives.
- Any documents, letters, emails, notes and notes regarding phone communications that discusses casino development, financial agreements including revenue sharing of casino revenue or MOU's, or mitigation agreements with the Wilton Band. (*We have a copy of the court settlement and MOU agreement*)
- Any supporting documents that clarify any and all interactions between the County of Sacramento and the Wilton Band and its representatives.

I ask for a determination on this request within 10 days of your receipt of it and an even earlier reply if you can make that determination without having to review the records in question. If you nonetheless determine that the requested records are subject to a still valid exemption, I would further request that (1) you exercise your discretion to disclose some or all of the records notwithstanding the exemption and (2) that, with respect to records containing both exempt and nonexempt content: you redact the exempt content and disclose the rest.

Finally should you deny part of this entire request, you are required to provide a written response describing the legal authority or authorities on which you rely. If I can provide any clarification that will help expedite your attention to this request, please contact me at PH: 916-663-3207. I ask that you notify me of any duplication costs exceeding \$50.00, so that I may decide which records I want copied. If it is possible to send the records via electronic format, I would prefer that.

Sincerely,

Cheryl Schmit - Director
