Dear Mr. Latif:

**SUBJECT: REQUEST FOR WORKPLAN
LOCAL OVERSIGHT PROGRAM NUMBER D529
UNITED FOOD AND GAS – 1481 MEADOWVIEW ROAD
SACRAMENTO, CALIFORNIA**

I have completed my review of a report submitted on your behalf by GEOFON Inc. The report summarizes the results of an investigation conducted in June of 2005 for the purpose of determining vertical groundwater contamination at your site. Within the report is a recommendation that a pilot test be conducted to determine the best alternative for remediating contaminated soil and groundwater.

I concur that this is the next step in the cleanup process for your site and request that a workplan to conduct this pilot testing be submitted to this office by October 7, 2005.

If you have any questions regarding this matter please feel free to contact me at (916) 875-8553.

Sincerely,

Richard J. Leibold
